

NAVEEN KUMAR

Product Marketing Manager | AI & B2B SaaS | GTM, Positioning & Launch Strategy

Chennai, India · +91 7358517700 · naveenkumar085@gmail.com · [LinkedIn](#)

Portfolio: yourpmm.com

Product marketer with **10+ years launching and scaling B2B SaaS** products across global markets. **Built and launched two AI-native SaaS** products using Claude, ChatGPT & Cursor, giving me first-hand experience developing, positioning, and growing AI products from the ground up.

EXPERIENCE

Founder | Reochart & SwitchQR

2025 – Present

Solo-built and marketed two SaaS products using an AI-native workflow

- Built and launched **two SaaS products from zero**, owning the full lifecycle: customer discovery, validation, UX, development, pricing, positioning, GTM, acquisition, and support.
- Grew to **900+ users with zero paid acquisition**, driving all growth through SEO, content marketing, product launches, and word-of-mouth.
- Built an **AI-native workflow** using Claude, ChatGPT, Cursor, and Gemini to accelerate product development, research, positioning, content creation, and GTM execution as a solo founder.

Zoho Corporation | Product Marketing Manager

Dec 2016 – Present

Zoho Projects, Zoho Sprints, Zoho BugTracker & Projects Plus

GTM, POSITIONING & LAUNCH

- Lead product marketing for four project management products across **North America, Europe, MENA, APAC, and ANZ**.
- Defined the positioning for **Projects Plus as an AI-powered, cloud-native platform** for enterprise and mid-market buyers.
- Managed a **\$6M+ annual marketing budget** spanning launches, events, analyst relations, partnerships, and demand generation.
- Secured **150+ media placements** ([Nucleus Research](#), [Frost & Sullivan](#), [IT Wire](#)); a single launch drove 296+ online pickups.
- Built Zoho Projects' strategic partnership with the **Project Management Institute (PMI)**, running sponsorships, webinars, and certification programs across **8 countries and 15+ chapters**.
- Partnered with Sales and Customer Success on enterprise expansion campaigns, customer advocacy, and adoption initiatives.
- Planned and ran **30+ partner events** (Zoholics, regional roadshows, webinars) across North America, MENA, and APAC.

GROWTH & IMPACT

- Led GTM for **12+ features over 3 years**, driving **35% YoY adoption** across enterprise and SMB segments.
- Introduced a new pricing model that lifted conversion **33%** and generated **\$1.7M in quarterly revenue**.
- Rebranded the website and collateral, increasing traffic **54%** and signups **23%**.
- Conducted customer discovery interviews to shape positioning, pricing and product direction.
- Built a global customer-advocacy program of **75+ stories** used across sales, analyst relations, demand gen, and launches.
- Partnered with Sales on strategic enterprise opportunities, contributing to a **10,000+ seat deployment valued at over \$1M**.
- Managed partner marketing investments (**MDF**), evaluating co-marketing opportunities and allocating budgets to maximize strategic GTM impact across global partner programs.

Cognizant Technology Solutions | Product Associate

Aug 2015 – Dec 2016

- Worked across the full software development lifecycle: requirements, development, testing, and production releases.
- Partnered with business analysts, QA, architects, and project managers to ship software for enterprise customers.

CORE STRENGTHS

Product Marketing: Positioning & messaging, GTM strategy, product launches, pricing & packaging, competitive intelligence, sales enablement, analyst relations, customer advocacy.

AI & Product Development: AI-Native Product Development, LLM workflows, Claude, ChatGPT, Cursor, Gemini, Higgsfield; hands-on SaaS building from discovery to launch.

Growth: SEO, content marketing, demand generation, partnerships, events, funnel & conversion optimization.

EDUCATION

B.E., Electronics & Communication, Anna University

2011 – 2015
